ONE OF 30 EVENTS IN 30 LOCATIONS IN 2025

I know many of you have had the chance to attend (or host!) one of our 30th anniversary events already this year, and here's one you are all invited to, from our colleagues in Budapest!

Another NILE: 30@30 celebration takes place this Saturday!

This time, it's online, but live from Budapest, Hungary.

Join us, NILE trainers Margit Szesztay and Uwe Pohl, this 8th November 2025 from 4pm GMT to celebrate 30 Years of NILE!

Jamie Keddie and Jeremy Harmer will kick off an hour of sharing stories about what NILE has meant to us, the trainers, as a community and for our professional development.
